

Join the Plymouth FFA

What is FFA?

FFA is a dynamic and growing youth organization, consisting of over 600,000 student member nationwide who have a passion for agriculture!

The National FFA is successfully changing lives and preparing students for leadership, personal growth and career success.

These lessons, skills, friendships and experiences shape our members and the benefits remain for their entire lives. Members participate in a wide range of agricultural science education activities, leading to the possibility of more than 300 professional career opportunities.

The continued success of our student members remains the primary mission of FFA.

Join the Plymouth FFA

Important Information

MEETING TIME: The FFA's first meeting is Thursday, September 15th and will continue to meet the FIRST THURSDAY of every month. Meetings start at 7:00 p.m. and meet in the High School Ag Room C119.

FFA ALUMNI: Parents are encouraged to join our FFA Alumni meeting during the same time as FFA meetings. The Alumni is an organization that supports the FFA with activities throughout the year.

COST: The cost is \$20.00 per member and this includes an FFA t-shirt

ADVISORS: Ms. Tracy Heinbuch - theinbuch@plymouth.k12.wi.us
Ms. Samantha Jo Finger - sfinger@plymouth.k12.wi.us

Program of Study:

Each middle school member will need to have an area of study or supervised agriculture experience that they will work on in order to meet the guidelines and requirements of the National FFA Organization. This is not difficult some examples could be working with your livestock, dairy animals or even caring for companion animals. You could also focus on growing plants, food, agronomic crops and even exploring agricultural careers and the list goes on and on. I would ask that you meet with one of the ag teachers upon joining to determine your area of study.
